

FEAT Prenatal Screening Workgroup Minutes February 6, 2008

Participants: Sandy Moses (HHS/HBHC), Kris Funk (FEAT)

I. Reviewed pilot screening materials

- a. Questions for upcoming meeting with OMG
 - i. How will the 2 formats work together for OMG? Screening protocol and Oregon Record.
 - ii. How do they currently get information for the pregnancy record?
 - iii. Would they like us to revise their current Patient Questionnaire for them?
 - iv. How is the Patient Questionnaire currently completed? (completed by patient, by doctor or nurse through interview?)
- b. Meeting format for OMG
 - i. Share draft of questions.
 - ii. Ask questions.
 - iii. How can we make this an integrated process?

II. Depression Scale

- a. Discussed whether to include a depression scale.
- b. Kris will find scale used with IMG project and email to Sandy.
